

How to Create the Student Account

1. Visit www.agora.org and select OLS Login
2. Enter the learning coach username and password

NOTE: Below is a sample account. Some information may display differently

3. Select My Account in the upper right-hand corner and a drop down menu will appear.

4. The student's name will appear. Select the student's name.

5. Create a username and password and verify the password for the student.
6. Save your changes!
7. Allow the student to log in using his or her username and password. If you experience any difficulty, please contact K12 Customer Support at 1-866-512-2273

A screenshot of the 'My Account' form. The form contains several input fields: Username, Password, Verify Password, Preferred Name, Email, and Home Phone. The Username, Password, and Verify Password fields are highlighted with a red box. To the right of these fields, there are sections for Mailing Address and Shipping Address, both showing the same address: 2300 Corporate Park Dr, Herndon, Virginia, 20171, UNITED STATES. Below the address sections, there is a note: 'Please contact your teacher or school office to update your addresses.' At the bottom of the form, there are 'Reset' and 'Save' buttons, with the 'Save' button highlighted by a red box.
